hoooolllyyyy cow

This is in the Financial Times. The Trevor Milton / Elizabeth Holmes comparison has gone full mainstream financial media.

Mr Milton isn't one to let a small problem like that get in his way. Hours after the critical hedge fund report came out, he shot back on video: "It goes to show you that when you're changing the world . . . these people love to take you down."

It was reminiscent of another lauded tech visionary who came under intense scrutiny for allegedly overstating her company's achievements. "This is what happens when you work to change things," Elizabeth Holmes, the founder of [blood-testing start-up Theranos](#), said after she first came under attack. "First they think you're crazy, then they fight you, and then all of a sudden you change the world."

Ms Holmes is now facing a fraud trial over claims that she faked technical demonstrations, among other things. Mr Milton, by contrast, is still at the helm of a company worth \$14bn, and bent on going all the way.

We now have multiple people who know Trevor saying the Facebook Messenger DM we saw was not an isolated innocent

apparently he tried to pay other women to do the same thing?

Silly @nikolatrevor the profiles weren't fake :) Jonny came to the defense of SEVERAL girls you harassed. You just couldn't handle being seen as the creep you truly are. You lie for a living but we all know the truth. Soon others will too. Karma makes her way around.

Jonny telling the Johnny Robb story: usatrtt.com/rob.mp4

When Jonathan Howard Robb started posting about Trevor on insta, Trevor paid him and told him to pay \$20,000 to stop posting.

It turned out to be a sting operation. Johnny Robb was arrested. 3 weeks later he died.

It's so easy to not be a creep, just y'know, don't be creep. Pretty simple. Respect others, be worthy of trust. And then, hey, bonus, no one can try to extort you for being creepy, because, you weren't.

The entire week Jonny was interacting with Trevor Milton he was in Cali with a friend who saw and heard everything. He's ready to come forward. More women will likely come forward with Milton's attempts to traffic them
